Dorset Golf Captains May 2020 Update

The DGC Committee recently held a video conference and reviewed the remainder of the golf planned for this year, with the following outcomes.

All our inter-county Captain's matches are cancelled up to the end of September. We have one match planned for 2nd October against Gloucester Captains, who host this match, and we await their decision which may be made in some months time when there will be more up-to-date information.

Our Presidents Day on 28th May at Brokenhurst is cancelled and will be re-arranged there next year.

Our match against the Dorset Ex Lady Captains and our Mixed Greensomes competition with them on the 14th July at Lyme Regis are also cancelled.

The Junior's Colin Chataway Trophy competition on 11th August is cancelled.

In July we will review our Captain's Day planned for 18th August at Ferndown and our Invitation Day planned for 9th September at Dudsbury. We will communicate the situation regarding these events at that time.

Saunton Golf Club have not yet taken a decision regarding the Saunton Salver competition on 7th & 8th October.

The game of golf has recently restarted in a limited form, but clubhouses and catering remain closed at least until July. When clubhouses do reopen they will be subject to the new COVID-19 Secure Guidelines for Pubs & Restaurants, yet to be written by a task-force in the Department for Business, Energy and Industrial Strategy. These Guidelines are likely to have a significant impact on the traditional format of inter-county Captain's golf.

Until our next update in July, please take care and play safe, stay safe.

Nigel Mobbs, Secretary, Dorset Golf Captains

on behalf of the President, Captain and Committee.
