Dorset Golf Captains July 2020 Update

This composite picture shows our socially distanced committee working hard to salvage some of our Covid-19 year of golf. If we were all to focus as well as this on our golf then DGC would be unbeatable!

Sadly all our inter-county matches and the Saunton Salver competition have been cancelled this year due to Covid-19 and we have also lost our President's Day, Mixed Greensomes and Colin Chataway competitions. On a more positive note, our Captain John Campbell is pleased to report we are undefeated this year.

Our good news is we will run our Captain's Day and Invitation Day competitions (See links below). In previous years these events have been a great opportunity to spend a leisurely day catching up with old friends around the golf, but this year the restrictions required by Covid-19 require that we do not assemble in large numbers.

We will not be presenting trophies to the winners and there will be no prize presentation gatherings, we ask you to arrive at these events no more than 30 minutes before your tee times and to leave the venue immediately after finishing your meal. The venues are not expected to provide changing rooms or showers, so we will change our shoes in the car park and we do not expect players to change clothing after play. Winners will be announced and posted on our website and prizes distributed after the events.

Within these restrictions and while maintaining social distancing we can have a couple of Dorset Golf Captain's events, see some of our old friends and keep DGC active this year.
