**At Bulbury Golf Club**

Weather Report Lovely hot summers day. Quite muggy later in the afternoon.

Course Report Course in good condition with plenty of grass on the fairways and greens reasonably quick. Ground was very hard in places.

Matches 8 pairs a side. Format 4BBB off 90% handicap, Yellow Tees. First Tee 1300hrs

The Match Captain was John Campbell and gave the team a winning start.

Result        Dorset 4  $\frac{1}{2}$         Devon 3  $\frac{1}{2}$

There are no individual match results and no pictures were taken, I believe.

(But we are hoping to obtain them from Devon! DK)

The food, a carvery followed by Fruit Crumble and Vanilla Custard was very good though service could have been faster.

The Club were very good hosts and did Dorset proud.
